From The Mayor

After a two year hiatus, the Memorial Day Parade and ceremony returned. Main Street was lined with parade onlookers and Elton Park was full of event attendees on a picture perfect Memorial Day. The ceremony was respectful and moving in keeping with it's solemn purpose. The event logistics flowed very smoothly mainly due to efforts of Abigail Miller. Her tireless, behind the scene coordination helped make this event a success. Thank you Abigail and to all participants in the Memorial Day parade and ceremony.

Mulch at DPW

Village and Town residents are allowed a maximum of 6 yards of free mulch per year from the DPW (5 Elm St). Mulch must be loaded by the resident and is available during regular working hours only. Brush may also be dropped off during the times listed. The DPW is open regular working hours of 6:30am-4pm Mondays through Thursdays, and from 7:30am until 10am on Fridays. It will also be open on the last Saturday of the month in June, July, August and September from 9am-2pm. For further information contact the DPW at 657-7319.

Open Burning

There is a Village Zoning Law prohibiting any open burning within the Village limits, with the following exceptions; campfires no higher than 3 feet, small cooking fires and ceremonial or celebratory bonfires. Brush burning is not allowed. The DPW picks up brush twice per year, May and October. Brush can also be dropped off at the DPW,(see Mulch article above).

Animals in the Village

Village zoning law prohibits the raising, harboring, or housing of many animal species to include chickens, ducks, rabbits, fowl, goats, horses, and many more. This is a code violation! A maximum of 3 dogs per household of licensing age and 3 cats which are 6 months or more in age may be kept. If you have any questions, please call code enforcement at 657-7700 option 4.

Firearms in the Village

Just a reminder that the discharge of firearms is prohibited within the Village limits. Firearms include rifles, shotguns, pistols, bow and arrows and air powered rifle.

New Code Enforcement Officer

We would like to welcome our new Code Enforcement Officer, Kim Rayburn, to her new position! Kim is a long time local resident and has been working in the Code Enforcement office for 14 years. Congratulations Kim!

New Youth Clubhouse

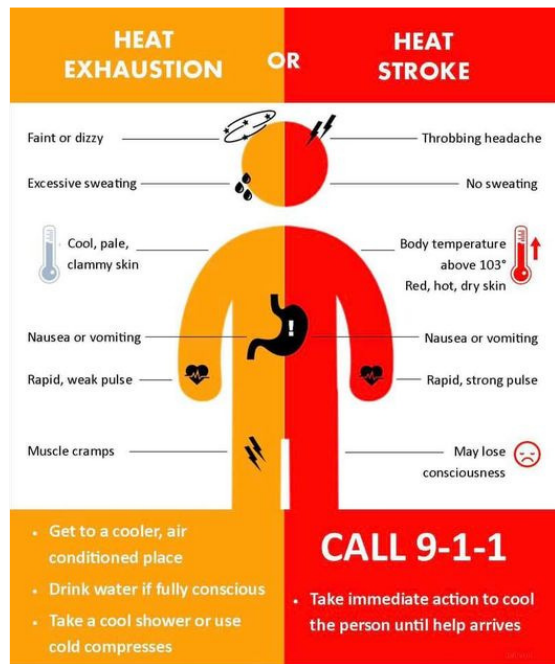

Did you hear the news? There is a new EPIC Zone: free youth clubhouse at 4 East Main Street across from the post office! This is a drop-in youth center where there will be homework help, skill building opportunities, information for healthy choice making, access to community resources and more! There will be snacks and dinner, but the attendees must help with prep and cleanup. This will service kids 12-17 years old. EPIC already has a successful program in Geneva and will be bringing those ideas to the Bloomfield location. Visit their Facebook page @EZBloomfieldClubhouse for more info.
